March 26, 2024, 11:00am-1:00pm

Are you a Maryland-based small business seeking funding for business start-up, recovery or growth?

Are you interested in learning more about lenders and business financing options available in the State of Maryland?

If you answered yes to either or both of these questions, this is one event you want to attend!

This in-person, Access to Funding speed lending event, co-hosted by the Maryland SBDC Western Region and the SBA Baltimore District Office, will introduce you to different lenders and funding programs in addition to the services your Maryland SBDC provides. Network one-on-one with a wide range of lenders from the area --

How The Speed Lending session will work:
After introductions of lenders are made, each participant will have a few minutes with each lender in a "speed discussion" format to discuss their funding needs for start-up/recovery/growth. It is always good to be prepared for a Speed Lending session by
